Dear Jason,

Thank you for taking time to educate our new and upcoming dental professionals on February 12, 2008. Your presentation for our New Dentist Seminar Series was a success. Feedback from attendees was overwhelmingly positive (on a scale of 1 - 5 with 5 as strongly agree and 1 as strongly disagree) with an overall 4.63 rating.

On behalf of the Committee and all of those attending, the San Francisco Dental Society thanks you for your generosity in taking your valuable time to make this interesting, provocative and professional presentation. You provided our dental student members and new practitioners a lot to think about. Most important, we thank you for the follow-up to our post-session queries, demonstrating a true commitment to serving dental professionals.

Sincerely,

A handwritten signature in black ink that reads "Deborah Elam". The signature is fluid and cursive, with a long horizontal flourish extending to the right.
